

Please consider this your personal invitation to visit our congregation at your earliest convenience. You will find a warm and congenial welcome!

We are a family of Christians who believe the Bible to be the inspired, inerrant, sufficient, complete word of God, and that it has a timeless, vital, relevant, and living message for all people (2 Timothy 3:16-17).

We emphasize and encourage regular Bible study, faithful obedience to the teachings of Jesus Christ, a devoted prayer life, faithful and regular assembly as a congregation. We also emphasize reaching out to others with the good news of Christ, caring for the poor and the helpless, good citizenship, faithful families, Biblical ethics, and moral living.

We understand that no human being is perfect, but we endeavor as a congregation to provide an atmosphere of education and encouragement that will contribute to serving God to the best of our individual and collective abilities (Hebrews 10:22-26).

We have no "other testament" and preach no other gospel than that which is revealed in the New Testament and was confirmed before the end of the first century (Galatians 1:6-12; Hebrews 2:3; Jude 3).

We wear no denominational name, and are obligated to no Bible and Tract Society, or denominational conference or convention. We are Christians only (Acts 4:12; 11:26). We profess no creed but Christ (Acts 8:37-38; Romans 10:8-10), honor none but Him as the head of His church (Colossians 1:18), and endeavor to keep His commandments as our expression of deep love for Him (John 14:15; 1 John 5:3).

We offer Bible classes for all ages, from toddler to adult. Our educational and evangelistic programs, in addition to our regular assemblies, include special studies at regular intervals on important areas of life.

Vacation Bible School, with classes for all ages, is an important part of our summer program. If you have children, or want to attend yourself, we would be pleased to have you!

We have regular meetings for our young people, and occasionally organize special activities for them.

We enjoy spending time with one another, so you can expect regular opportunities for fellowship and fun such as cookouts, singings and other "get-togethers."

We offer home Bible studies for those who are interested in learning more about God and His word through personal visits or through free, undenominational Bible correspondence courses. We also have much additional Bible study material available free of charge.

If you would like to visit our congregation, but do not have transportation, let us know and we will arrange a ride for you if you are not too distant. We are looking forward to seeing you soon!
